 ANNIVERSARY DATE: 06/04/2010

Dear Alina Van Katwyk:

Small Business Development (SBD) has completed the review of your application and the attachments submitted for certification. Your firm is officially certified as a Disadvantaged Business Enterprise (DBE) in accordance with the State of Florida Unified Certification Program (UCP) approved by the U.S. Department of Transportation (FDOT) in the categories listed below.

This certification affords your company the opportunity to participate in contracts throughout the State of Florida with DBE measures. While DBE certification qualifies your firm to bid and participate on projects with DBE participation requirements, please note that this certification does not allow you to participate on projects with Community Small Business Enterprise (CSBE), Small Business Enterprise (SBE) and/or Community Business Enterprise (CBE) program requirements unless certified in the specific program.

Your DBE certification requires you complete a Continuing Eligibility Form annually. To ensure timely processing the Continuing Eligibility Form is accessible at <http://www.miamidade.gov/sba/forms.asp>. A hard copy is available upon request and may be sent to you via mail or facsimile. Failure to complete the required form and submit with the required supporting documents on or before your anniversary date may subject your firm's removal from the Florida DBE Unified Certification Program.

If any changes occur within your company during the certified period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you are required to notify this department in writing, immediately. It is of critical importance that the current information regarding your company be updated. All inquiries or changes related to this certification should be directed to the SBD Certification Unit.

Should you have questions regarding your firm's certification, please contact the Certification Unit at SBDcert@miamidade.gov or call (305) 375-3111.

We look forward to your participation and success in Miami-Dade County's small and/or disadvantaged business programs.

Sincerely,

Penelope Townsley, Director
 Small Business Development
