CERT. NO: 13241
APPROVAL DATE(s): 06/04/2009 - MICRO/SBE
EXPIRATION DATE: 06/30/2010

Dear Ms. Van Katwyk:

Small Business Development (SBD) has completed the review of your application and attachments submitted for certification. Your firm is officially certified as a Micro/Small Business Enterprise (MICRO/SBE) in the categories listed below.

This certification is valid for twelve (12) months, expiring as noted above. This certification affords your company the opportunity to benefit from participation in county contracts with small business measures. Please note the trade categories listed below. These are the only sheltered market areas that your company is eligible to bid or participate in under your current certification.

If any changes occur within your company during the certification period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you are required to notify this department in writing, immediately. It is of critical importance that current information regarding your company be updated. All inquiries or changes related to this certification should be directed to the SBD Certification Unit. An application for re-certification (a much shorter process) must be submitted and forwarded to this office within four (4) weeks of the referenced expiration date. Should your firm fail to re-certify, or lose its certification for any reason, the ability to work on contracts with measures will be affected.

Sincerely,

Penelope Townsley, Director
Small Business Development
