

WELLBILT INTERNATIONAL

Florida Certified General Contractor -CGC#1509830

Florida Certified Roofing Contractor -CCC#1327772

Killearn Lakes Elementary

**Leon County
Public School District**

Tallahassee, Florida

**This project is constructed with Wellbilt International's
Miami-Dade Approved 'Sure-Board Wall Panels',
meet the
State of Florida's High Velocity Hurricane Zone of
146-mph sustained wind-loads with
an additional 20% increase for gusts!
(Eligible for a building permit throughout the State of Florida)**

**Pre-engineered load-bearing 'Sure-Board Wall Panels',
for exterior and/or interior use.**

This building project involves: the construction of ten classrooms, one Science Lab., one Science Demo. Lab., Teacher's Lounge, Custodial Storage and Group Restrooms with an interior corridor. (approx. 20,000 sq. ft. building)

Exterior and interior load-bearing 'Sure-Board Wall Panels' are quickly and easily erected.

Architecturally designed interior walls slope upward towards a 12 foot high interior corridor with the 'Sure-Board Wall Panels'.

**Fast, clean, organized, open-construction.
Various trades may work simultaneously. Before all of the ‘Sure-
Board Wall Panels’ are erected, trusses may be installed.**

Electrical, plumbing, and mechanical trades may also begin their installations.

Ideal for FAST construction of buildings in Hurricane and/or Earthquake prone areas!

Solutions for High Impact and High Wind Shear!
